IN THE DRAWINGS:

With this Amendment, Applicants have submitted three replacement sheets including Figures 1-4. The first sheet has no substantive changes. Each of Figures 3 and 4 have been amended. Specifically, in accordance with the last paragraph on page 4 of the specification, and as supported by original claims 3 and 4, Applicants have added blocks labeled -- drive mechanism -- and -- power -- to each of Figures 3 and 4. The "drive mechanism" blocks are labeled with reference numeral -- 14 -- and appropriate lead line. The "power" blocks are labeled with reference numeral -- 15 -- and appropriate lead line.
